

# Manufacturer's Declaration M1

according to the EU Machine Directive 89/37/EC of 12th August, 1998

File: ce\_mrl29\_E.DOC of 20th August, 2007

Manufacturer's name and address: Lenord, Bauer & Co. GmbH  
 Dohlenstraße 32  
 D-46145 Oberhausen

We - being manufacturer/seller of the products specified below - herewith declare that these products are exclusively dependent components designed for being incorporated into a machine or a line<sup>1</sup>. These dependent components will only be supplied to skilled users. Only skilled personnel is allowed to commission these products following strictly the supplied documentations. The safety and assembly instructions and the instructions regarding the designated use, in particular, must be strictly observed.

Prior to commissioning the entire machine/plant the manufacturer of the machine or plant must ensure conformity of the latter with the EU Machine Directive or other regulations – if applicable.

This declaration does not represent a guarantee for technical characteristics and is valid for the following products:

Operator terminals: GEL 131, 8810

Controllers: GEL 40/ 42/ 43/ 44/ 46/ 47/ 48/ 4900  
 GEL 72/ 73/ 7400  
 GEL 7100 / 7500 / 7600 / 7700 / 7800  
 GEL 8000 / 8100 / 8200 / 8300 / 8600

Servo converters: ND 31, LD2000, LD2400

Servo motors: SBK, SBL, 6SM

Counters: GEL 103 / 104 / 105, 57 / 66 / 67, 5000 / 6000

Incremental encoders: GEL 107 / 108  
 GEL 207 / 208 / 209 / 219  
 GEL 260 / 292 / 293 / 294 / 295  
 GEL 2010, 2011

Linear scales: GEL 174 / 175, 176 / 177, 180, 220 / 221

Absolute encoders: GEL 150 / 160, 235 / 2035

MiniCODERs: GEL 243 / 2432 / 244 / 2442 / 2443 / 2444 / 245

Speed sensors: GEL 247/2471/2472/2473/2474/2475/2476/248/2482/27xx

Level/Pulse converters  
 Interpolation electronics: GEL 210 / 212 / 213 / 214
